About Mind in the City, Hackney and Waltham Forest:

We are a multi-disciplinary provider of specialist mental health services and a part of the Mind Federation.

We promote both recovery from ill health for people with recurrent and enduring mental health difficulties and early intervention for those at risk of developing mental health issues, or who struggle with common mental health conditions.

We currently support around 5,000 people a year through a variety of services focusing on psychological, social, economic and workplace wellbeing, and support minoritised communities.

Our values are:

Connected: Creating a compassionate and supportive community.

Fair: We strive for equity- no-one's needs should go unmet.

Brave: We walk with people, offering help by doing what works - proven or new.

Working with Mind CHWF means you'll be part of a dedicated, passionate, and professional workforce who cares about the work they do and make a real difference to the lives of the people in the City of London, Hackney and Waltham Forest.

We are committed to actively becoming anti-racist in everything we do. This is a critical priority for Mind CHWF. We embrace diversity and understand that being an inclusive organisation that recognises different perspectives, will enable us to provide excellent services.

We are committed to ensuring all our employees are treated fairly and equitably at work and promoting equity in physical and mental health for all.

Those with lived experience of Mental Health are encouraged to apply.

DBS clearance for an Adult Workforce at Enhanced level (without Barring) is required for this

Main Purpose of Job

Mind in the City, Hackney and Waltham Forest, working in partnership with Turning Point and Antidote, provide the City and Hackney Recovery service. A full integrated service, shaped by the community needs and voices of service users, carers, families, & communities, all staff and volunteers will contribute to substance misuse recovery, social inclusion and improving the quality of life of all our service users in the City of London and Hackney borough.
